Objective

- Motivated Computer Science student at Cairo University, seeking internship opportunities to apply my skills in Python, C++, and Full-Stack .NET development. Eager to contribute to innovative projects while expanding my technical expertise and problem-solving abilities.

Education

- **Cairo University - B.Sc. in Computer Science**

  Sep 2023 – May 2027

  (GPA: 3.1 / 4.0, Third-year student)

Experience

Full Stack .NET Web Developer – Intern

Digital Egypt Pioneers Initiative (DEPI), Remote

Jul 2025 – Present

- Selected from many applicants to join a 6-month national training program supported by the Ministry of Communications and Information Technology.
- Developing full-stack applications using C#, .NET Core, ASP.NET MVC, SQL Server, HTML5, CSS3, and JavaScript.
- Gaining hands-on experience with data-driven applications, web architecture, and real-world capstone projects.
- Collaborating in teams to solve problems and deliver scalable software solutions.

Data Analyst – Intern

Qatari Diar Egypt, Cairo

Jun 2025 – Aug 2025

- Worked with databases and SQL to manage and analyze structured data.
- Gained practical experience in Excel for data cleaning, reporting, and analysis.
- Learned to build applications with Microsoft Power Apps and develop dashboards in Power BI.
- Contributed to data-driven decision-making processes within a professional environment.

Skills

- **Programming & Development:**
  - Python, C++, C#
  - .NET Core, ASP.NET MVC, Web API
  - SQL (Microsoft SQL Server), Databases
  - HTML5, CSS3, JavaScript
- **Concepts & Problem-Solving:**
  - Object-Oriented Programming (OOP)
  - Data Structures & Algorithms
  - Basic Encryption Techniques
  - Software Development Lifecycle

- **Tools & Platforms:**
    - Visual Studio, Git/GitHub
    - Power Query (Excel)
    - Basic Photo Editing Tools
- **Soft Skills:**
    - Analytical Thinking
    - Team Collaboration
    - Communication Skills
    - Problem Solving

Languages Skills

- Arabic: Native.
- English: Good (In Progress)
